

SIT20322

# Certificate II in Hospitality

## Theory skills

Learn essential hospitality skills in customer service, safe work practices, food hygiene, and responsible service of alcohol.

## Interactive learning

Build your practical cooking skills in a fully equipped commercial kitchen and restaurant environment.

## Practical skills

Put theory into practice through 12 service periods, serving real customers in real settings.

## Experienced trainers

Learn from industry professionals, including chefs, caterers, and event and restaurant managers.

## TRAINING FOR INDUSTRY, BY INDUSTRY

Our hospitality training program is developed in collaboration with leading industry experts to ensure it aligns with current standards and equips students for real-world success.

These experts include award-winning chefs, accredited Australian Technical Chefs, and representatives from the Australian Culinary Federation.
